# G'DAY FROM THE GM

Hello Members

Well I don't know about you but it seems like we have just finished pulling down the Christmas Decorations from last year and what do you know its time to put them back up. That's right we are in December; its Christmas time again. The thing that most puzzles me each year in December is

that for one month, and one month only, we are able to as a human race treat each other with a little respect, love and humility – What a beautiful time of year. Unfortunately this extension of goodwill seems to evaporate somewhat on December 26th, wouldn't it be nice if we continued the good vibe generated at Christmas the whole year through. This may seem a little soft but I think a little bit of Christmas spirit all year round would make the world a lot better place.

For those keeping up with the current happenings around the Club I provide the following summary:

- XMAS CASH – One lucky member will pick up \$15,000 – Friday December 21st at 7.30pm.
- Thursday Members Cash Wheel - \$16500 by the time you receive this newsletter (if not won prior)
- Free entertainment Friday and Saturday Nights in the Lounge Bar
- Free face painting & balloons for the kids every Friday night in December
- \$6000 Super Toy 2nd Chance Draw on Sunday December 9 & 16 at 3pm
- Xmas Raffles – Thursday, Friday (Hams and Turkeys all December) Nights with Bonus Raffles on Sunday December 9 & 16 from 11am.
- NEW YEARS EVE – FREE – Twoiffic in the Sports bar – Bells & Whistles included

As you can see above there is always a lot going on so get involved; come along and add to the experience - have a great time and tell your friends. Of course if you need or want more information just ask our staff and they will be more than happy to address your enquiry.

With that, on behalf of the Board, Management and Staff of the Cowboys Leagues Club I wish you all a VERY MERRY CHRISTMAS and a HAPPY and HEALTHY NEW YEAR.

See you at the Club

Craig Norman

## CHAIRMAN'S CHAT

The Club's new financial year has commenced and the past 12 months is currently being audited, with Members having the opportunity of perusing the Annual Report early in the new year when released. This will be followed by the Annual General Meeting scheduled in early March.

As you would be aware the club purchased the Cowboys Rugby League Football Club, however it's business as usual in relation to the operation of the Football Club and Cowboys Leagues Club. The Football Club is currently preparing for the next NRL season and following the success of the past season, are looking to take it a step further. The Cowboys Leagues Club is continuing to offer our members the very best in hospitality service and providing benefits to the Townsville community through it's many community initiatives.

Christmas is a wonderful time of year, a time for families, friends and celebrations.

The team at the Cowboys Leagues Club work very hard in an effort to provide an entertainment

“Christmas is a wonderful time of year, a time for families, friends and celebrations”

venue that is second to none so why not take the opportunity to celebrate at the club leading into Christmas, particularly with the fantastic new Christmas promotions being conducted.

The Bistro menu's been updated recently but don't despair, plenty of the old favourites are still being served. I'm keen to try the all new Cowboys Beef & Bacon Burger –it's a huge & hearty serve.

On behalf of the Board of the Cowboys Leagues Club, I wish you and yours a very safe, happy and enjoyable festive season.

Merry Christmas from all @ the Club!

Chairman  
Laurence Landini
